

International Symposium on
“Confinement-Controlled Chemistry”
 Ruhr-University Bochum, 16.09.2019 – 18.09.2019

Invited Speakers:

A. Andrieu-Brunsen

Technische Universität Darmstadt

J. M. Anna

University of Pennsylvania

M.-L. Bocquet

Sorbonne Université

I. Burghardt

Goethe-Universität Frankfurt

T. Bürgi

Université de Genève

J. Crassous

Université de Rennes

C. Crépin-Gilbert

Institut des Sciences Moléculaires d'Orsay

A. Douhal

Universidad de Castilla La Mancha

M. García-Garibay

University of California, Los Angeles

L. Grill

University of Graz

F. Kanoufi

Université Paris Diderot

N. Levinger

Colorado State University

Y.-T. Long

East China University of Science and Technology

R. R. Nair

University of Manchester

W. Nau

Jacobs Universität Bremen

R. Netz

Freie Universität Berlin

J. Nitschke

University of Cambridge

J. Polte

Humboldt-Universität Berlin

J. N. H. Reek

University of Amsterdam

M. Stöhr

University of Groningen

Low Participation Fee Suitable for PhDs and Postdocs!
